Official Announcements

Thur. Oct 19 – Video Tape Your Holiday Greeting at the Bamberg PX

The Hometown Holiday news service will have a camera crew in Bamberg and Schweinfurt to record holiday greetings for broadcast on local stateside television and radio stations. The crew is scheduled to appear in:

Schweinfurt—Wed. Oct 18—outside the PX from 7:30 a.m. to 4:30 p.m. (rain location is in the foyer)

Bamberg—Thur. Oct 19—outside the PX from 7:30 a.m. to 4:30 p.m. (rain location inside the Christmas Store)

Messages will be aired on local network television stations nation-wide. This program is also open to DoD civilians.

Some tips to keep in mind when preparing your greeting.

- Military members MUST BE IN UNIFORM. If a military spouse is deployed family members can still tape a greeting. It is recommended that Civilian not wear white, pink or stripe-colored shirts to the tapings.
- Greeting should be no longer than 15 seconds.
- Participants need to state five things within the greeting: who they are, where they are, who the greeting is going to, where they are and a holiday message.
- Do not mention any one specific Holiday in your greeting, so the spot can be aired for a longer period of time.
- The greeting must be to a relative, and you must bring an address (including zip codes) and phone number of the person. The address determines where in the U.S. the greeting will air. If you have friends and family in the same location you can mention your friends. The more information people provide to the hometown news crew the better the chance the greeting will air.
- You will have to fill out a release form.

These really do air – so take advantage of this opportunity to wish your family and loved ones a safe and Happy Holiday season.
